*from the SITE for Contemporary Psychoanalysis*

## *Why Psychoanalysis?*

What might a contemporary psychoanalysis look like?

A year of seminars with an experiential group, intended to provoke a way of thinking psychoanalysis differently.

**Please come to our OPEN EVENING**  
**on Tuesday April 24, 2018 at 8pm**  
**at The October Gallery, 24 Old Gloucester Street**  
**WC1N 3AL**

We will discuss the structure of the course and the experiential group, and answer your questions over a glass of wine.

All welcome.
